

The North Carolina High Peaks Trail Association is a non-profit organization dedicated to increasing the awareness and appreciation of the great outdoors surrounding the Black Mountains, the highest mountain range east of the Mississippi with one-quarter of the peaks over 6,000-feet in the Eastern US, including the highest, mighty Mount Mitchell at 6684-feet. nCHPta is open to everyone interested in the High Peaks and the natural splendor of our mountain home.

The High Peaks Trail Association is engaged with our community, leading hikes, maintaining and building trails, cleaning overlooks and scenic by-ways and working to improve the quality of our outdoor recreation assets. We are active partners with the Blue Ridge Parkway, Pisgah National Forest (Appalachian District), Mount Mitchell State Park, Carolina Mountain Club, Appalachian Trail Conservancy, and Friends of the Mountain-to-Sea Trail.
